

As home styling becomes more and more prominent in modern day living, the Vogue Acrylic range has transformed the way we can approach interior design.

You now have ultimate control of colour co-ordination, size, arrangement and grouping.

Since every Vogue Acrylic is individually made why not take the opportunity to create your very own individual and contemporary piece of wall art.

Chunki

Uncompromisingly
Attractive

Outstandingly fresh and clean, the sleek lines and bold image panels achieve a luxurious and highly appealing combination.

Designer

Art or Architecture

Our most innovative
arrangement yet. Entering
into a new frontier
of image presentation.

Duo

Clear Brilliance

A magnificently clean cut concept in total high gloss, an ultimate piece of accent art.

Flush

Seemless, Sleek
and Stylish

Frameless and Ultra
Modern the flush has an
edge to edge mounted
image and features colour
co-ordinated profiles.
The ultimate in minimalist
presentation.

Jigsaw

In Perfect Harmony

It's not puzzling to see why this is such a popular piece. Perfect balance and placement of five separate images gives you a truly magnificent focal point.

Levels

Staggeringly Different

Nine image panels and three height levels allow you to create a truly 3 dimensional image.

Multi

Striking Modern Wall Art

Showcasing the presentation of images in three levels. Colour Co-ordination and arrangement are key elements. The Avant-Garde design creates a magnificent 'one of a kind' piece of accent art.

Tier

A Cut Above the Rest

The tier clearly demonstrates the possibilities with offset presentation. A raised image panel literally brings a new dimension to the possibilities of presentation art.

Veneer

Cutting Edge Presentation

An advanced acrylic concept
combining abstract notions of
colour, composition and elevation.

The Veneer Starts at:
£250+VAT

These Sizes are given as a guide,
any subsequent size variations will
be priced on quotation.
